

Grey Hornbill

A golf course should never miss a tee time.

AI Voice & Booking Agent for Golf Courses

George answers every inbound call, checks real-time availability,
books tee times, and handles cancellations — 24 / 7, with no staff overhead.

LIVE TODAY

Four capabilities. One phone number.

Answer & Converse

AI voice agent answers inbound calls and holds a natural conversation about tee time availability.

Check Availability

Queries the live Google Calendar tee sheet in real time and tells callers exactly which slots are open.

Book a Tee Time

Creates a confirmed booking on the calendar and gives the caller a unique booking reference on the spot.

Cancel or Look Up

Cancels reservations or retrieves a booking by phone number — no staff needed.

Bookings sync directly to your Google Calendar. No new software to learn.

PROOF IT WORKS

Every booking lands in your Google Calendar.

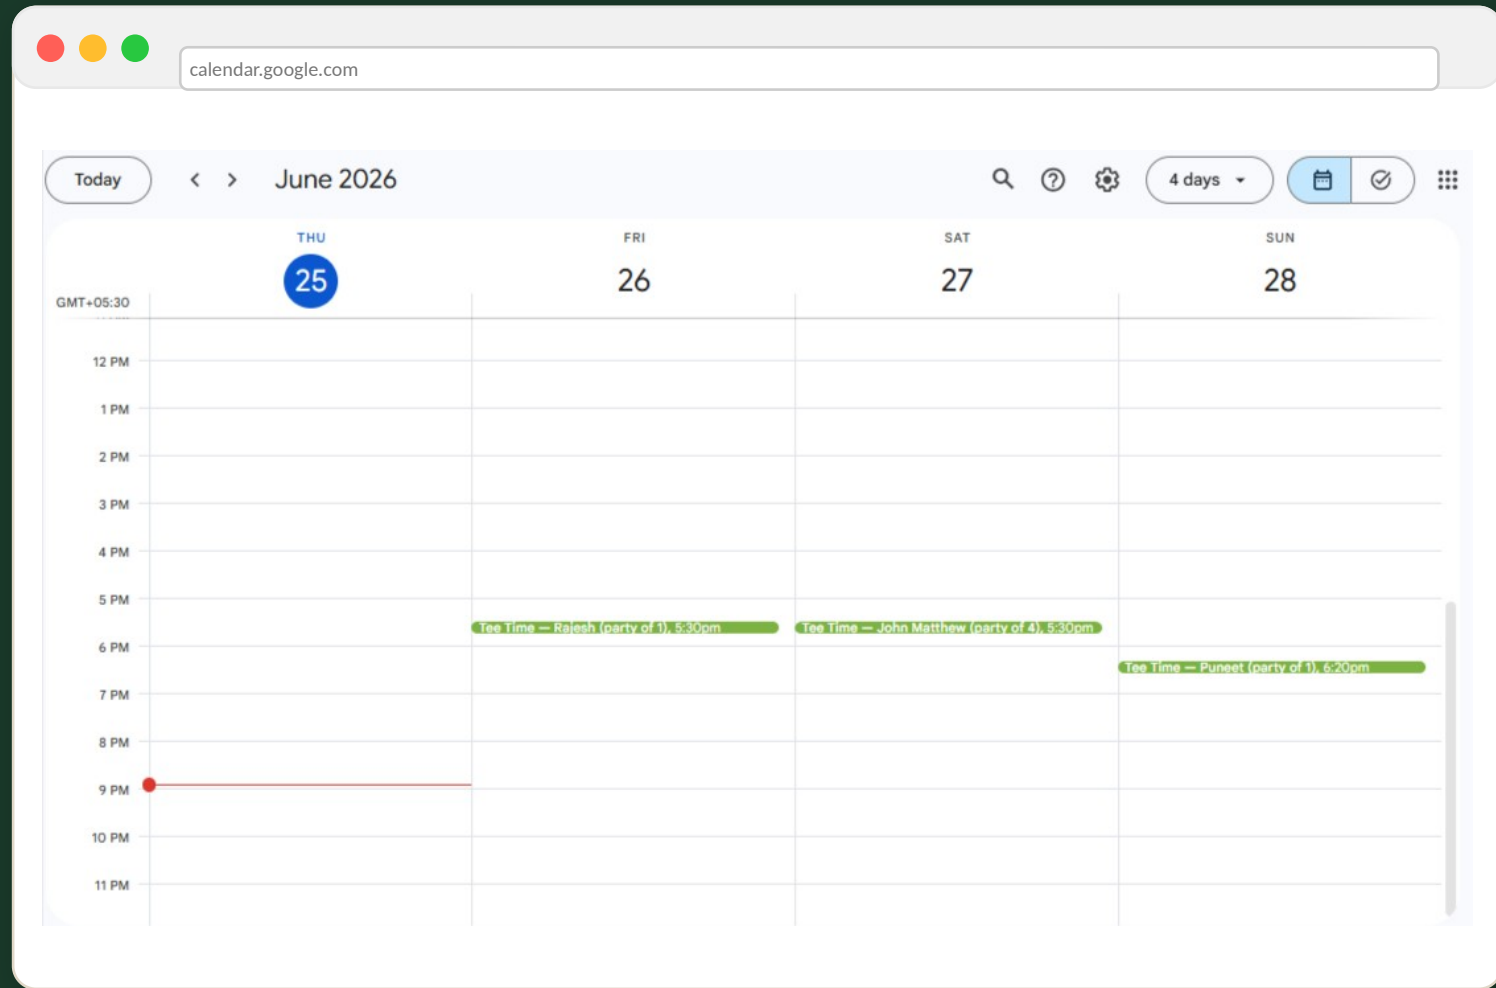

Golfer name & party size captured automatically

Date and time slot confirmed in real time

Unique booking reference issued on every call

This is a live screenshot from the Grey Hornbill tee sheet.

HOW IT WORKS

From ring to confirmed booking.

1

Golfer calls the course number

Your existing number, no change needed.

2

AI asks for date, players & time

Natural voice conversation, not a phone tree.

3

Checks the live tee sheet

Real-time availability from your Google Calendar.

4

Confirms & creates booking

Issues a unique booking reference number instantly.

5

Reschedule or cancel anytime

Caller can look up or cancel by phone number.

Zero staff intervention required for any of these steps.

THE PROBLEM

Missed calls are missed revenue.

30–40%

of booking calls go unanswered
or reach voicemail after hours

24 / 7

coverage with no extra staff,
no new phone lines

Flat fee

monthly pricing — no per-call
surprises; pause in off-season

What sets Grey Hornbill apart

◆ We use it ourselves — Grey Hornbill Golf Club runs on our own system

◆ Cross-channel memory coming: voice, WhatsApp & SMS in one context

◆ Pilot-friendly: flat monthly fee, seasonal pause, no lock-in

WHAT'S NEXT

The foundation is live.
Here's where we
go together.

SMS & WhatsApp Confirmations

Every confirmed booking triggers an instant message to the golfer — with the reference number, date, time, and party size.

Golfer Records & History

Every booking builds a golfer profile — name, phone, booking history. Returning callers get recognised. Your course learns its regulars.

Admin Dashboard

A clean web view of all bookings and golfer records for course staff — no Google Calendar login required.
